

# INSPIRING CONFERENCES

Co-author of the "*Guide de l'organisation apprenante*" -Guide to the Learning Organisation- and author of "*Le Burn Out, une opportunité de transformation intérieure*" -The Burn Out, an opportunity for inner transformation-, we offer you **inspiring conferences, designed and targeted according to your needs.**

They can be followed by a **discussion with the participants**, or even a period of **co-creation around a particular challenge or problem.**

*Example of inspiring conferences:*

- The role of the leader and HR in bringing about transformation
- Learning organisations
- From Lean to collective intelligence
- Defining and Implementing Managerial innovation and empowering management
- Understanding and transforming burn out

## To go further:

- Coaching of organisations
- Executive systemic coaching
- Cultural & managerial transformation of organisations
- Team / project coaching
- Burn out support
- Analysis of professional practices
